### The Best

In my opinion THE PENMAN-ARTIST AND BUSINESS EDUCATOR is the best magazine pertaining to penmanship and drawing that is published in America to-day.

## SOME SUGGESTIONS FOR THE NEW CENTURY

for penmen, artists, teachers, students, and for all who appreciate good writing, drawing, etc., or desire to improve in these branches.

"A THING OF BEAUTY IS A JOY FOREVER"

PRICE \$1.00

FINE ART HOLDER

HAND-MADE

A BEAUTIFUL & PERFECT HOLDER IS A GREAT ENCOURAGER OF EXCELLENCE — HERE IT IS

This inlaid, extra long and fancy, hand-made, rosewood holder is the latest Zanerian product — the most attractive holder ever manufactured. Present it to a good penman and he will be delighted and made happy the rest of his days. Present it to a poor penman and its alluring beauty will compel him to pick it up, practice and improve. The most indifferent pupil will delight in improving his penmanship when he has this holder. That's a suggestion for parents. Considering the time and skilled workmanship required to produce each holder it ought to be sold for \$2.00, but we are offering it for the present for \$1.00 postpaid. Sent in box.

We also handle the Zanerian extra long, hand-made, rosewood holder, which is exactly the same in shape as the Fine Art Holder, though not so fancy, at 50c each. To fully appreciate these holders you must have one.
